(850) 748-4879 | hornej@wit.edu | jadehornexo@gmail.com

EDUCATION

Wentworth Institute of Technology

Boston, MA

Bachelor of Science in Computer Science

Expected Graduation APR 2027

- Recipient of Presidential Merit Scholarship totaling \$90,000
- Relevant Courses: Data Structures, Databases, Network Programming, Object-Oriented Programming, Linear Algebra & Matrix Theory

EXPERIENCE

Electrical and Biomedical Laboratory Assistant

Boston, MA

Wentworth School of Engineering

SEP 2025 - Present

- Check equipment in/out, repairing and moving equipment when required
- Assist with setup and preparation of lab experiments, conducting general lab maintenance as required

Search Quality Rater

Pensacola, FL

Welocalize

MAY 2023 - NOV 2024

- Assessed relevance of search results and advertisements to improve search engine algorithms and user experience.
- Analyzed datasets of search queries through data-driven evaluation criteria, achieving an average of 97.8% relevancy and contributing to continuous model retraining

LEADERSHIP

Member

Wentworth Coding Club

SEP 2025 - Present

- Lead tool and programming language workshops to prepare students for co-ops/internships
- Collaborated in relaunch of club, fostering student engagement and event participation

PROJECTS

Stock Predictor

OCT 2025

- Developed a machine learning model that predicts daily closing prices for S&P 100 companies to provide insight into best times to purchase stocks, fetching real-time data from Google Finance via Google Sheets API

Tamagotchi Game

JAN 2025 – APR 2025

- Implemented free-response trivia minigame in Java, managing game logic and state
- Collaborated in UI/UX design, using Git for version control and coordinated team development
- Wrote a project report and delivered final presentation detailing successful design choices and possible performance improvements
